Merchandising Society Club Online Platform

Beta Release v.0.1

November 12th, 2020

Team	HDD
Designer	Haseung Lee
Project Manager	David Cha
Lead Programmer	Daekyung Kim
Product Owner	Merchandising Society Club

Difficulties

1. Working Process
   a. Not know what the customer wants: **requirement changes, contents** and UI/UX
2. Frontend
   a. Responsive Design for users
3. Backend
   a. CORS issues along with AWS hyper-secure system

Final Release Plans

Following our schedule,

1. Finish up any remaining API calls from frontend

2. Handle Admin Logins and Localization and Internationalization

3. Add real data from MSC and check for any bugs

React-Django Full Stack

Frontend Framework

Backend Framework
